

PAUL GOTHE BOCHUM

PAUL GOTHE GmbH
Manufacturer of Emissions Control Technology

Productinfo: Digital Temperature Measuring Instrument Type K

Robust digital thermometer with large display, wide temperature range.

Features

- Hold function
- Minimum, maximum and mean value
- Automatic power disconnection
- Switchable between °C and °F

Technical Specifications

Measuring range	-200°C ... +1370°C
Resolution	-200°C~200°C: 0,1°C 200°C~1370°C: 1,0°C
Clock rate	0.6 times per minute
Accuracy	-200°C~200°C: ± (0,3% from display + 1°C) 200°C~400°C: ± (0,5% from display + 1°C) 400°C~1370°C: ± (0,3% from display + 1°C)
Emissivity	0.95 fixed
Power supply	9V battery NEDA 1604A or IEC 6LR61
Weight	180g
Dimensions	164 x 54 x 34 mm
Safety	CE certified

Scope of Delivery:

- ✓ 9V battery
- ✓ Instructions
